Dear Parents and Carers

Closure of Drayton Grove Gate

The unsafe driving and inconsiderate behaviour of parents and carers on Drayton Grove has been a concern that I have raised a number of times.

This morning there was an incident that was simply appalling and as a result the Drayton Grove entrance will no longer be in use.

This will take effect from Monday 26th of February. It is incredibly disappointing that our neighbours view us so poorly as a result of the actions of a few parents.

Yours faithfully

Mrs K Doherty
